June 26, 2022

Welcome to the 111th Michigan Amateur Golf Championship. We are excited for the opportunity to host this prestigious event. Hawk Hollow is one of our six Eagle Eye Golf & Banquet Center courses. In addition to hosting the Michigan PGA Championship five times, it has been the venue for numerous professional and amateur championships.

Course designer, Jerry Matthews created our unique golf course. Hawk Hollow's beauty and challenge will provide our contestants and spectators with a dynamic backdrop for an outstanding championship. We look forward to providing a wonderful journey for all who walk our grounds.

I would also like to thank our sponsors, volunteers, and staff for their efforts to ensure the 111th Michigan Amateur Championship is a memorable and enjoyable experience for all involved.

Warmest regards,

Richard Henderson
President and CEO

Hawk Hollow Golf Course

WILL BE THE HOST VENUE

for the 2022 Michigan Amateur Championship. This is the premier tournament for amateur golf in our state. This is the 111th year that the tournament has been played. Past venues include Oakland Hills, Belvedere, Boyne, Detroit Golf Club, Eagle Eye, and Egypt Valley—just to name a few. This year will be only the third time ever that this event has been held at a course in the greater Lansing area.

The Golf Association of Michigan (GAM) administers the tournament. This event runs from June 26th through July 1st. The field consists of 162 players who will have competed in qualifying tournaments throughout Michigan to earn the opportunity to play in the championship. Contestants typically range in age from a few high school golfers up to top players in their fifties. As you might expect, most of the field are collegiate players who reside in Michigan and play for universities from all over the country.

Eagle Eye Golf & Banquet Center, the parent company of Hawk Hollow Golf Course has donated use of the course to the GAM. This is a major commitment as no daily fee/customer play is allowed during the week of the tournament. After their initial entry fee paid to the GAM, there is no additional cost to the players for golf or use of the practice facilities throughout the week. For the good of the game, the management team has decided that hosting this event is a worthwhile endeavor. We look forward to making the tournament a memorable and enjoyable experience for the players.

Hawk Hollow

Golf Course opened for play on July 15, 1996. It was designed by Jerry Matthews and was the original property and now part of a six-course golf complex known as Eagle Eye Golf & Banquet Center. This family-owned, private company also operates Eagle Eye Golf Club, Timber Ridge, The Falcon, Woodside, and Little Hawk Courses. All the courses are open to the public and accessible to all who want exceptional playing conditions, friendly customer service, and a truly memorable golf experience.

The vision that led to the creation of Hawk Hollow was to establish a championship course near Michigan State University and the capital city. The father and three son family handled the actual shaping of the course and the construction of the stately clubhouse. Their efforts and the growth of the Eagle Eye Golf properties have enabled the greater Lansing area to become the premier golf destination in mid-Michigan.

Hawk Hollow features 27 holes of exceptional golf, two large practice ranges, a short game practice area, and an 18-hole, all-natural grass putting course. The vast wooded property originally encompassed two sand quarries and enable Matthew's team to bring water into play on most of the holes. Large hardwood trees frame the fairways and strategic bunkering adds to the beauty and challenge of the course. The green complexes vary in size, shape, and slope. Multiple teeing areas and generous landing areas provide an enjoyable experience for novice golfers as well as a true challenge for accomplished players. The collection of par three holes found on the

original course are regarded as one of the best in the state of Michigan.

The Michigan PGA Championship, the GAM Net Amateur Championship, U.S. Senior Open Sectional Qualifying, and numerous major college tournaments have been contested at Hawk Hollow. During the fourth week of June 2022, Hawk Hollow Golf Course will host the 111th Michigan Amateur Championship. This is the premier event for elite amateur players from the state of Michigan. The staff and management welcome you to Hawk Hollow Golf Course.

Michigan Amateur HISTORY

Written by Greg Johnson

The Michigan Amateur Championship, being presented for the 111th time, is the oldest, most prestigious tournament in the state of Michigan. It is being played in the greater Lansing area for just the third time.

Hawk Hollow Golf Course is the second, non-resort, public venue ever chosen to present the fabled state championship. In 2016, Eagle Eye Golf Club was the first daily fee host site. These two courses along with the Country Club of Lansing (1934) have been the only capital city area venues. Chuck Kocsis of Detroit won his second of a record six Amateur titles at CCL that year.

More history is certain to be made this year in a tournament that was started in 1906 by the now defunct Michigan State Golf League (MSGSL). The MSGSL conducted what was recognized as the state championship before the Detroit District Golf Association (DDGA) took over in 1946. World War I resulted in the tournament not being played in 1917 and 1918. The tournament was also suspended from 1942 through 1945 because of World War II.

The DDGA, founded in 1919, officially conducted the championship through 1960. In 1961 the name was changed to the Golf Association of Michigan (GAM) to reflect its ever expanding membership across the state. The Amateur remains the flagstick tournament for men's amateur golf under the direction of the GAM. The GAM is the governing body for amateur golf in the state, it provides membership to over 60,000 golfers and 480 Michigan golf clubs and courses. Among its many services, over 30 championships are conducted annually.

Kocsis has the most wins, including one in each of three decades, while Glenn Johnson of Grosse Ile is second with five, including four in five years from 1954 through 1958. A total of 14 golfers have won multiple times, including most recently Randy Lewis of Alma, the champion in 1992 and 1999.

Six greater Lansing area golfers have claimed the state championship in its history. Most recently was Sam Weatherhead (Michigan State) in 2016 at Eagle Eye Golf Club. Others include Korey Mahoney (2002), Lynn Janson (1968), Douglas Hankey (1964), Reggie Myles, Jr. (1953), and Louis Wendrow (1946).

Belvedere has hosted the Amateur 40 times, including their last in 2014 and previously for 26 consecutive years between 1963 and 1988. Country Club of Jackson and Saginaw Country Club have each hosted the second most championships with seven. Only four public courses have hosted the championship. They are Michaywe' Hills Pines Golf Course (1961), The Heather Course at Boyne Highlands (1998, 2006, & 2011), and most recently—Eagle Eye Golf Club (2016) and Hawk Hollow Golf Course (2022).

This year 870 golfers entered the state championship. Of those, 162 will qualify for the first two rounds of stroke play. Contestants are able to compete in the championship through exemptions and state-wide 18-hole sectional qualifying tournaments. Golfers must have a maximum 5.4 GAM/USGA handicap index to register for the qualifiers. Oakland Hills Country Club and Eagle Eye Golf Club are among the top five venues for the highest number of entries.
